HERO CAMP

5-8 December 2015

WarriorRic and Keye Coaching have teamed up to offer a new and exciting outdoor adventure camp for **kids 8-17 years old** this summer!

HERO CAMP gives your child the opportunity to play, learn, create, build confidence and develop leadership skills while enjoying loads of fun in a safe and secure environment.

Kids are encouraged (according to their ability) to navigate over-and-under, around or through natural and man-made obstacles by running, swimming, crawling, swinging or jumping. This builds leadership skills, confidence and the art of teamwork while challenging them to use mind, body and will. **HERO CAMP** empowers and develops our kids through exploration, problem solving, socialising and fun!

CAMPSITE

Konka is situated **30 kilometres outside of the town of Magaliesburg** at the foot of beautiful rolling hills and a small river running through the campsite. It is the perfect venue for kids of all ages with numerous activities, delicious healthy food and accredited facilitators and staff with years of experience.

ACTIVITIES

Some of the exciting activities on offer include **zip sliding, abseiling, wall climbing, mud run obstacle courses, kayaking, raft building and a high rope course** designed to get any heart beating faster. We will also involve campers in popular dynamic team building games, such as Marble Tube, Cops and Robbers and Stalk the Lantern, to name a few. And what would a summer camp be without group hikes into the bush!
